

Optimize payment integrity to ensure efficiency and better results.

Discovery Health Partners' suite of payment integrity software and solutions helps health plans improve recoveries, avoid costs, and increase revenue.

Our model for improved payment integrity:

Optimize platform, process, and performance to optimize the bottom line.

- ▶ How can software, solutions, and technology power a payment integrity **platform**?
- ▶ How can a better **process** increase efficiency?
- ▶ How can **performance** be accurately and easily measured?

How can we help? ←

The Discovery Payment Integrity Suite™ of software and solutions resides on our proprietary Healthcare Analytics Platform. By leveraging state-of-the-art data mining and analytics technology, we can optimize your entire claims payment integrity program to increase efficiency and the bottom line.

- ▶ **Flexible cloud technology creates a scalable, secure, and HIPAA-compliant platform**
- ▶ **Automated, proactive workflows reduce errors and resource requirements**
- ▶ **Clear, simple dashboards identify and compare results against benchmarks**
