

Understanding your payment integrity results through improved measurement

Discovery Health Partners' suite of payment integrity software and solutions offers unparalleled insight into payment integrity performance.

Our model for improved payment integrity:

Health plans often struggle to **measure** payment integrity program results, leaving them with questions like ...

- ▶ How can we **understand** our results quickly and accurately?
- ▶ How can we **identify** changes and trends in our performance?
- ▶ How do we **compare** to industry standards?

How can we help? ←

Discovery Health Partners is committed to providing a unique level of transparency and insight in payment integrity. Each of our solutions incorporate powerful reporting tools to help you more accurately understand the performance of your payment integrity programs:

- ▶ **Real-time dashboards that provide at-a-glance performance information**
- ▶ **Customizable reporting to identify and understand trends over time**
- ▶ **Benchmarks for measuring plan results against industry standards**

Subrogation and Coordination of Benefits

Our Subrogation and COB solutions provide unparalleled visibility into every aspect of the process, from case-level detail to annual performance trends. Our clients enjoy full access to detailed reporting of case inventories, recoveries, work metrics, and more. We also provide a unique benchmarking solution, so our clients understand how their programs compare to industry standards.
