

# Better. Proven. Results.

The Discovery Health Partners team is dedicated to helping health plans improve their payment integrity results. And that dedication pays off for our clients.

We look at your challenges with a new perspective.

We bring fresh thinking to solving them together.

We deliver better technology, service, and results.

## Outcomes

For a large regional health plan, we achieved

**More than \$30 PMPY**  
in subrogation recoveries

**More than \$12 PMPY**  
in COB recoveries

## Integrated Payment Integrity

Discovery Health Partners leverages technology and expertise to effectively improve payment integrity outcomes. That's how we recovered a total of **\$17.7 million** for one client across COB, Subrogation, and Medicare Secondary Payer Validation.

## Innovative Solutions

We help identify emerging payment integrity challenges. One example is the more than **\$50 million** in MSP premiums we've restored in one year for one of the country's largest health plans.

## Clients

More than **40 health plans**

**3 of the top 5**  
national health plans

**95%** extreme  
satisfaction rating
